Registration Data

Political Parties

Effective December 31,1989 there were nine political Parties included in the Register of Political Parties, pursuant to Section 6(2) of the Act:

Name (Abbreviation)	Date Registered	Leader	Chief Financial Officer
Alberta Liberal Party (LIB)	February 3, 1978	Laurence Decore	Dennis Holliday
Alberta New Democratic Party (NDP)	January 3, 1978	Ray Martin	Lyle Bleich
Alberta Political Alliance (APA)	January 17, 1986	Howard Thompson	Dalmain Brown
Alberta Social Credit Party (SC)	January 6, 1978	Harvey Yuill	Ella Ayers

Progressive Conservative Association of Alberta (PC)	January 3, 1978	Donald Getty	Gary Campbell
Reform Party of Alberta (REF)	August 24, 1989	Preston Manning	Wesley McLeod

The Alberta Independence Party was deleted from the Register of Political Parties effective April 6, 1989 for failure to file its audited 1988 Annual Financial Statement. The required financial statements have since been filed; however, the Party remains deregistered. In order for the Party to be included in the Register of Political Parties they must submit a petition in accordance with Section 5(2)(d) and a formal Application for Registration in accordance with Section 6 of the Act.

On August 18, 1989 a group that had reserved the name "Reform Party of Alberta" submitted an Application for Registration pursuant to Section 6 of the Election Finances and Contributions Disclosure Act. The group's application and supporting petition of 5,664 signatures were examined and validated to ensure compliance with the Act. The Reform Party of Alberta was entered in the Register of Political Parties effective August 24, 1989.

In a letter dated December 19, 1989 the Representative Party of Alberta, by a majority vote of the Party executive members, requested that the Party be deregistered. The Party was advised that pursuant to Sections 9 and 34 of the Act, financial statements would still have to be filed with this Office. The Representative Party of Alberta was deleted from the Register of Political Parties effective December 31, 1989.

This Office maintains a file containing the names of groups and individuals who have formally requested and received information concerning the procedure to be followed for registering a political Party under the Act. As of December 31, 1989, one file remains open for a group that has requested that this Office reserve a particular name for their proposed political Party. The current status of activity by this group is unknown; however, they have been advised that one of the primary requirements for registration is completion of a petition under Section 5(2)(d) of the Act. The petition must contain a minimum of 4,653 signatures of eligible electors, which represents 0.3% of the number of electors eligible to vote at the last general election (1989).

Candidates

Individuals Prohibited From Being Nominated

There are a number of individuals who were Candidates at the 1979, 1982, 1986 or 1989 General Election who filed the required Campaign Period Financial Statement after the due date and who did not apply for relief to the Court of Queen's Bench. The Chief Electoral Officer presented reports on the matter to the Speaker of the Assembly, pursuant to Section 36(1) of the Act. The individuals named are prohibited from being nominated as Candidates in an election for varying specified periods.

The information on these circumstances is available in the Public Files, at the Office of the Chief Electoral Officer.

Financial Statements

All political Parties and Constituency Associations registered prior to September 1, 1989 were required to file Annual Financial Statements for 1989 with this Office, not later than the close of business April 2, 1990, in accordance with Section 34 of the Act.

Political Parties - 1989 Annual Financial Statements

Nine political Parties were registered with the Office of the Chief Electoral Officer as of December 31, 1989. Financial Statements were received from seven of the nine Parties by April 2, 1990, as follows:

Alberta Liberal Party
Alberta New Democratic Party
Alberta Social Credit Party
Communist Party - Alberta
Confederation of Regions Party
Progressive Conservative Association of Alberta
Reform Party of Alberta

An audited Annual Financial Statement for the period January 1, 1989 to April 6, 1989 was filed by the Alberta Independence Party; the time frame noted indicates the period of time the Party was registered in 1989. However, the Party remains deregistered, as discussed earlier under the heading "Registration Data".

An audited 1989 Annual Financial Statement was not received from the Alberta Political Alliance Party; therefore, the Party was deregistered effective April 6, 1990. The required Statement has since been filed and the Party reregistered. The relevant financial data has been included in this Report.

An audited 1989 Annual Financial Statement was not received from the Confederation of Regions Party; therefore, the Party was deregistered effective April 6, 1990. The required Statement has since been filed and the Party reregistered. The relevant financial data has been included in this Report.

In the Twelfth Annual Report of the Chief Electoral Officer, a reference was made to apparent anomalies in the audited 1988 Annual Financial Statement filed by the Heritage Party of Alberta. These anomalies have been resolved and copies of the amended 1988 Annual Financial Statement have been placed in the Public Files.

Although the Representative Party of Alberta was deregistered effective December 31, 1989 they were still required to file an audited 1989 Annual Financial Statement. That Financial Statement was filed with this Office on April 11, 1990 and the relevant financial data has been included in this Report.

This Report does not include comparisons of the financial support given to political entities over the twelve years in which annual financial statements have been required; this information is available in the Public Files in the Office of the Chief Electoral Officer. A summary of the 1989 data appears at Appendix B; additionally, a simplified presentation of the number, category and amounts contributed in the 1989 calendar year follows:

Senatorial Selection

The Election Finances and Contributions Disclosure Act was amended by a number of consequential amendments included with the Senatorial Selection Act, which was proclaimed on August 18, 1989. The amendments allow registered parties to maintain continuous annual financial activities between Senatorial Selection Campaigns. The amendments provide for the acceptance of annual contributions within prescribed limits, for Senatorial Selection purposes and for the filing of annual financial statements to disclose such Senatorial Selection transactions.

There were nine registered Parties when the Senatorial Selection Act was proclaimed. The degree to which each Party made use of these revised provisions for accepting contributions or expending funds for annual Senatorial Selection activity is an administrative decision made by each Party. The three registered Parties, that endorsed a candidate in the October 1989 Senatorial Election, all filed Senatorial Selection Annual Financial Statements within the prescribed time limits; the other six registered parties were not required to file Senatorial Selection Annual Financial Statements.

A summary of the 1989 data appears in Appendix C; copies of the Financial Statements are in the Public Files at the Office of the Chief Electoral Officer. In this regard, it should be noteJ that Appendix C is a calendar year report only; the Campaign Period for the Senatorial Selection ended January 16, 1990 and Party Statements were required to be filed by April 17, 1990. Therefore, to determine the actual financial data pertaining to this electoral event it will be necessary to refer to Part Four, Page 4-2.

The Thirteenth Annual Report

Of

The Chief Electoral Officer

Part Two

The General Election of the Twenty-Second Legislative Assembly

Monday, March 20, 1989

Part Two

The 1989 General Election

Overview

The Campaign Period for the 1989 General Election commenced with the Writ of Election on February 20, 1989 and terminated on May 20, 1989, two months after polling day. Financial statements for the campaign period were required to be filed with the Chief Electoral Officer in accordance with Section 35(1) of the Act. Registered candidates were required to file their Campaign Period Financial Statements on or before June 20, 1989 while the registered Parties were required to file their audited Campaign Period Financial Statements not later than September 20, 1989.

All registered Parties that participated in the 1989 campaign filed the required financial statement within the time limit. Of the two hundred and sixty-seven registered candidates, financial statements were received from two hundred and fifty-six candidates, within the prescribed time frame. Two Alberta Liberal Party, seven Alberta New Democratic Party, one Alberta Social Credit Party and one Independent Candidate failed to file the required Candidate Campaign Period Financial Statement by the required date.

The names of the foregoing eleven registered Candidates and their Chief Financial Officers were reported to the Speaker of the Legislative Assembly on June 21, 1989 in accordance with Section 36(1) of the Act. All such persons were notified that pursuant to Section 52.1 of the Election Act, they were prohibited from being nominated as a candidate at any future provincial election for the 8-year period following the day on which the Speaker laid the Report before the Assembly. With one exception, all candidates ultimately filed their Campaign Period Financial Statements, which reduced the period that they were prohibited from being nominated as a candidate to five years, following the date of filing their Statement. They were advised that they could apply to the Court of Queen's Bench for relief, in accordance with Section 36(2) of the Election Finances and Contributions Disclosure Act. Nine Candidates and their Chief Financial Officers sought and received relief from the Court.

Part Four

1989 Senatorial Election

Overview

The Senatorial Selection Act was proclaimed on August 18, 1989. The proclamation of the Senatorial Selection Act also included a number of consequential amendments to the Election Finances and Contributions Disclosure Act. Briefly these consequential amendments provided for the registration of Senatorial Candidates, the acceptance and limitations to Senatorial contributions and the filing of Senatorial Election Campaign Period Financial Statements.

A Report on the Senatorial Election, which was held October 16, 1989, including the official results, was published by the Chief Electoral Officer on January 19, 1990.

The Campaign Period for the Senatorial Election was September 11, 1989 to December 16, 1989, as defined by Section 1(1)(c) of the Act. Senatorial Campaign Period Financial Statements from the eight registered Candidates were required to be filed with the Chief Electoral Officer on or prior to January 16, 1990, pursuant to Section 35(1)(b) of the Act. The registered Parties of the Candidates were required to file audited Senatorial Campaign Period Financial Statements on or prior to April 17, 1990, pursuant to Section 35 (1)(a) of the Act. Summaries of Contribution Totals and of Expense Totals for Parties and Candidates are included at Pages 4-2 and 4-3.

Normally, the Annual Reports of the Chief Electoral Officer deal with Financial Statements filed by the various political entities in the preceding calendar year, in this case January 1, 1989 to December 31, 1989. This Report varies from that policy in that some data on the Senatorial Campaign Period Financial Statements filed by both Candidates and Parties, was received by this Office after January 1, 1990. The decision to include the relevant details of the 1990 data, as part of this Report was made to ensure that all pertinent information is published in a timely manner; the 14th Annual Report of the Chief Electoral Officer, where the Senatorial Campaign details would normally be published, will not be produced until August 1991.

Registered Candidates - Senatorial Campaign Period Financial Statements

An Independent Candidate, Mr. F. Harvey Cardinal, failed to file Nomination Papers as required by Section 11(1) of the Senatorial Selection Act; consequently, his name did not appear on the ballot. Another Independent Candidate, Mr. Ivor Dent, filed acceptable Nomination Papers; however, he withdrew within forty-eight hours after the filing of his Nomination Papers. Both these Candidates were required to file Senatorial Campaign Period Financial Statements, pursuant to Section 35(3) of the Election Finances and Contributions Disclosure Act.

All eight registered Candidates filed the required financial statement within the prescribed time limit. Copies of the Candidates' Financial Statements and other related documents have been included in the Public Files, at the Office of the Chief Electoral Officer.

A summary of the Candidate's Campaign Period receipts and expenditures for the Senatorial Election follows:

General Information and Conclusion

Part Five

General Information and Conclusion

Income Tax Credit Allowance - 1988

The Tax Policy Division of Alberta Treasury provided information, obtained from Revenue Canada Taxation and the Alberta Corporate Tax Administration, concerning the 1988 income tax credits for political contributions allowed to individual and corporate taxpayers who paid Alberta Income Tax.

Although the following information is one year after the fact, it may be of general interest:

1988 contributions, by individuals, to registered Parties (annual plus campaign)	$ 967,056.
1988 contributions, by corporations, to registered Parties (annual plus campaign)	$ 928,037.
1988 contributions, by individuals, to registered Constituency Associations	$ 191,856.
1988 contributions, by corporations, to registered Constituency Associations	$ 63,564.
1988 contributions, by trade unions (not taxable), to registered Parties (annual)	$ 2,765.
1988 Provincial Income Tax Credit allowed to individuals	$ 629,272.
1988 Provincial Income Tax Credit allowed to corporations	$ 128,574.

Three factors should be considered when reviewing this information:

a. taxpayers do not receive income tax credits unless they submit an Official Receipt for the contribution;

b. if there is no Alberta income tax payable, no income tax credit is allowed; and

c. the amount of income tax credit allowed is based on declining percentage calculation of the total contribution.

Note: In consideration of the foregoing factors, a direct percentage comparison of the income tax credit allowed to the total amount contributed may not necessarily be valid.

Funds Held in Trust by the Office of the Chief Electoral Officer

At the date of this Report the Chief Electoral Officer is not holding any funds in Trust for a political Party, Constituency Association or Candidate whose registration has been cancelled or for any other reason; although, the funds of eighteen Constituency Associations, which were deregistered for failure to file financial statements by April 2, 1990, are currently being sought. This data will be presented in detail in the 14th Annual Report of the Chief Electoral Officer, (August, 1991).

Both the Alberta Independence Party and the Representative Party of Alberta plus their respective Constituency Associations, which were deregistered in 1989, have advised this Office that all funds, of both the Party and Constituency Associations, have been expended; therefore, no surplus funds will be submitted to this Office by these previously registered entities.

Public Files

The Public Files, which contain information concerning political financing of registered political organizations in Alberta, now contain data for twelve consecutive calendar years including the 1979, 1982, 1986 and 1989 General Elections and the six By-elections held since January 1, 1978. Interest in examining these records increases substantially on the dates immediately after the Candidates, Constituency Associations and Parties file the required Campaign Period or Annual Financial Statements. Use of these records is made by the news media, students, interested citizens and members of political organizations.

Conferences

Annual Conference of Canadian Election Officials

The 1990 conference was held in St. John's Newfoundland, July 15-20, 1990. Meaningful discussions were held on a variety of topics including redistribution and mapping, technical developments and legislative improvements in jurisdictions, international election activites, election finance legislation and the impact of the Charter of Rights and Freedoms on the electoral process. There was a significant exchange of ideas with the Chairman and Commissioners of the Royal Commission on Electoral Reform and Party Financing. Next year's conference will be held in Fredericton, New Brunswick during the third week of July.

Council on Governmental Ethics Laws - (COGEL)

The Council on Governmental Ethics Laws is a professional organization for agencies and individuals with responsibilities in governmental ethics, elections, campaign finance and lobby law regulation. Its membership is comprised of federal, state, provincial and local government representatives as well as from other interested parties.

The Chief Electoral Officer is a member of the Canadian Advisory Committee to COGEL and was a member of the 1992 Site Selection Committee.

COGEL provides a medium for exchanging useful information and significant developments within every aspect of governmental ethics, elections, campaign finance, and lobby law regulation. It also provides timely information to its membership through the biennial publication "Campaign Finance, Ethics, and Lobby Law Blue Book" as well as through its annual updates on developments in governmental ethics, bimonthly newsletters, and other information services. Useful contacts with professional counterparts, as well as intensive sessions, are available at COGEL's annual conference.

The 1989 conference was held in New Orleans, Louisiana. Chief Judge Wachowich and the members of the Conflict of Interest Review Panel; John Drobot, MLA for St. Paul, who is a member of the Standing Committee on Legislative Offices; and the Chief Electoral Officer attended this conference. The 1990 conference will be held in Anchorage, Alaska in mid-September.

Events of Interest Since March 31, 1990

The following events have taken place between the end of the filing year, March 31, 1990, and the date this Report was sent to the printing agency; each of these subjects will be addressed in detail in the 14th Annual Report of the Chief Electoral Officer:

- the Alberta Political Alliance was deregistered for failure to file its Annual Financial Statement by April 2, 1990; however, the Party did file the required report in arrears and was reregistered June 7, 1990;
- the Confederation of Regions Party of Alberta was deregistered for failure to file its Annual Financial Statement by April 2, 1990; however, the Party did file the required report in arrears and was reregistered May 3, 1990;
- eighteen registered Constituency Associations were deregistered for failure to file Annual Financial Statements (including the two Confederation of Regions Party of Alberta Constituency Associations affected by the deregistration of their Party);
- the Alberta Greens were registered as a political party effective April 6, 1990; and
- to date fifteen deregistered Constituency Associations have applied for reregistration.

Allegation of Filing False Financial Statement

As reported in the 12th Annual Report of the Chief Electoral Officer, following an RCMP investigation into the 1986 General Election Candidate's Campaign Period Financial Statement filed by the Alberta Liberal Party Candidate in the Electoral Division of Edmonton-Calder, the Candidate, Mr. Al Iafolla, was charged with forgery and uttering a forged document. At the conclusion of the preliminary hearing held in December 1989, the Court determined that there was sufficient evidence to hold the matter over for trial; the trial is scheduled to begin on September 24, 1990. Following the preliminary hearing the Candidate elected trial by judge and jury.

Royal Commission on Electoral Reform and Party Financing

A Royal Commission on Electoral Reform and Party Financing was estabilised by the Federal Government in November of 1989. The mandate of the Royal Commission is to inquire into and report on among other items, the financing of political parties and candidates. The Commission plans to have their report ready by October 1990.

The Commission is holding Public Hearings in all jurisdictions to receive input from associations, organizations, individuals and political entities. The Chief Electoral Officer for Alberta appeared before the Commission at the Public Hearing held in Edmonton on May 23, 1990. He has also met separately with several individuals who are conducting research on behalf of the Commission.

Some of the changes to Federal financial legislation that the Commision will recommend could have a domino effect, which could result in changes to the Alberta Provincial Election Finances and Contributions Disclosure Act.

Conclusion

The last year has involved more activity in relation to the Election Finances and Contributions Disclosure Act than any year since the Act came into force on January 1, 1978. In addition to the normal Annual Financial Statements from political Parties and Constituency Associations, Party and Candidate Campaign Period Financial Statements from the 1989 General Election, the Stettler By-election and the 1989 Senatorial Election were processed by this Office. Copies of these Financial Statements are contained in the Public Files.

The Public Files maintained by this Office are available for examination during normal Office hours. These hours are 8:15 am to noon and 1 pm to 4:30 pm Monday to Friday. Copies of all Reports published by the Chief Electoral Officer are available to the public at no cost. Copies of data maintained in the Public Files are available at a rate prescribed under authority of Section 10(2) of the Act.

Routine assistance is provided by this Office to all political entities, to the electors of the Province and to other interested individuals and organizations, to assist them in their understanding of Provincial electoral legislation. To this end, a multitude of brochures and handouts on various aspects of the legislation have been developed for the Election Finances and Contributions Disclosure Act, the Election Act and the Senatorial Selection Act. These brochures and guides are available through this Office at no cost.

Many persons have contacted this Office in the past year with observations and recommendations regarding existing legislation, together with proposals by which legislation may be improved. Whenever possible, such proposals have been incorporated into ongoing reviews of the process. As a result of experience gained at the 1986 General Election and the Elections of 1989, recommendations for amending the Election Finances and Contributions Disclosure Act to improve election financial administrative procedures have been submitted to the Government for their consideration.

Volunteers at the grassroots level of each political Party, particularly the Chief Financial Officers, are the key to successful application of the Act. The personnel in this Office appreciate the cooperation received from the Candidates and from the volunteers at all levels of the political Parties and Constituency Associations throughout this past year. Again this year, the paid staff of political Parties have been very cooperative. I also wish to acknowledge the excellent support that I received from my qualified and dedicated staff and contract personnel in helping me meet my responsibilities in 1989.

Respectfully submitted,

Patrick D. Ledgerwood
Chief Electoral Officer
